Metric		CONAIR	BaByliss PRO	REVLON	drybar	Shark BEAUTY	dyson	Explanation	
		Key: Performance scale Strong Average Weak Found Not Found							
SEE (off-site)	Product Listing Ads (leading to Amazon)							For brand-name search on Google, all the brands except BabylissPro and Dyson have PLA (Google Shopping Ads) that links to the product page on Amazon.	
	Social media campaigns (Amazon co-branded)							Conair, Revlon, and Shark have ads as a co-branding with Amazon on Facebook & Instagram in the last 12 months	
	Google search result leading to Amazon page of brand							For brand-name search on Google, all brands, except Dyson, have a search result (either organic or paid) in top 10 that leads to their listings page on Amazon.	
SEE (on-site)	Brand Hub/Store							All brands have a dedicated store on Amazon. It helps a brand showcase all its hero products and highlight promotions, benefits, etc.	
	Display and video ads							Based on a sample of 5 high-volume keywords, Conair has no media ads, while Revlon leads with brand display banners. Display and video ads capture immediate attention; help drive awareness & sales.	
FIND (on-site)	Sponsored listings							Conair and Dyson have no sponsored SKU on any of the industry keywords analysed. Revlon and BaByliss Pro have ~5 sponsored listings each on 5 keywords analysed.	
	Appearance in featured brands / brand filter							Based on a sample of 5 high-volume keywords, Conair makes an appearance in the list of brand filter 100% of the times, similar to Revlon	
	Total listings & Amazon badges (overall pick/ best seller)							Conair leads with ~40 listings (cumulative) on top 5 industry keywords analyzed, while Revlon follows next with ~30. Conair is strong on "hair dryer" and "compact hair dryer" keywords (10 or more listings); its product appear as an 'overall pick' in 4 of the 5 keywords analyzed	
	% Appearance in top-20 spots							Conair has a presence in top results (first 4 rows) for 100% of the sample 5 industry keywords followed by Revlon at 80%; limited presence in top results for the other four peers	
BUY (on-site)	Product title & description ¹							Conair's hero SKUs have good product titles (using high-volume SEO keywords) and detailed product description points	
	Product images and videos ¹							Good use of multiple high-quality images and videos by Shark and Babylliss Pro; limited use of videos by Conair	
	Price range distribution							On the results page for a brand, Shark and Dyson have the widest price ranges available (>\$300); Conair has a narrower SKUs range of ~\$200	
	Subscribe & Save option							~60% of the listings of Drybar have the option to "subscribe & save" – helpful for retaining customers and building brand loyalty; for Conair, only 5% of the listings come with this option	
	Stock availability							Almost 100% of Conair's SKU listings have no low stock or out of stock issues, similar to Drybar	
	Ratings & Reviews ¹							Conair and Revlon have strong customer advocacy with 4.4 overall average rating across their top 3 Hero SKUs, while BaByliss Pro leads with a 4.6 average rating	

Note: 1) Product-level metrics evaluated for top 3 'hero SKUs' of brands, in terms of their best-selling rank on Amazon; Hair accessories like scrunchies, hair clips etc. excluded from the analysis
